## Champion Spotlight

### Jillian Misbach, Admissions Advisor

#### Sullivan University College of Pharmacy

According to her colleagues, Jillian Misbach continues to go above and beyond for the institution's pre-pharmacy students, often working with them for years as they develop their applications. She is recognized as one of the top reasons that students choose to attend the Sullivan University College of Pharmacy and Health Sciences (SUCOPHS) PharmD program, and continues to support students as they transition to the challenging PharmD curriculum. Jillian is one of the college's superstars and is so appreciated by all of the SU COPHS faculty, staff, and (of course) students!

#### HOW TO NOMINATE

Self-nominations are welcome!

## CALL FOR PROPOSALS

### 2022 AACP Admissions Workshop

#### Recruitment and Admissions for Future Generations

The AACP Admissions Workshop Advisory Committee invites members and non-members to submit micro-session and concurrent session proposals for the 2022 Admissions Workshop: Recruitment and Admissions for Future Generations. The two-day meeting is designed to inform and inspire pharmacy school administrators, faculty, and staff involved in recruitment, admissions, and enrollment management for professional or graduate degree programs. The Workshop will precede the 2022 Annual Meeting. Additional program and registration details will be available by spring 2022.

All session proposals for the Admissions Workshop must be submitted via an [online form](#) by **Sunday, January 16, 2022**.

## GENERATION RX RESOURCES

Generation Rx, founded at The Ohio State University College of Pharmacy, has been powered through a partnership with the Cardinal Health Foundation since 2009.

Their website provides Educational Toolkits for; Elementary, Teen, University, and Adults. The Toolkit provides activities for in-person programming that can be very useful and engaging with prospective students, and includes resources such as games, presentations, skits, worksheets and more!
