VIRTUAL PHARMACY CAMP

Manchester University College of Pharmacy

Manchester University has adapted to the COVID-19 pandemic by creating a series of virtual opportunities that enable prospective high school and college students who are considering pharmacy as a career to still experience the profession over the summer months. The virtual pharmacy camps include Q&A sessions and interactive events to help participants hear from pharmacists in a variety of settings, hands-on science activity demonstrations, virtual tours of various pharmacy settings, and information on the Manchester's admissions process. Prerecorded sessions on topics related to pharmacy will also be available.

HOW TO NOMINATE

Email pharm4me@aacp.org to request the nomination form.

Self-nominations are welcome!

MONTHLY VIRTUAL PHARMACY FAIRS

To offset the impact of the COVID-19 pandemic on in-person recruitment events across the country, AACP has partnered with CareerEco to offer a series of monthly virtual recruitment fairs leading up to our annual Virtual Pharmacy School Fair on September 30, 2020.

The previous virtual pharmacy school fairs were a huge success. There is still time to register for the next three events.
